

PANDORA is the universe of jewelry. Each piece is Danish designed, and handcrafted in sterling silver or 14K gold. Many pieces incorporate pearls, semi-precious and precious stones. World famous for the bracelet and twist-on charm design, PANDORA owns a patent for its unique system (U.S. Pat. No. 7,007,507). PANDORA'S modular design with easily interchangeable parts allow the wearer to select beads for a dress up elegant look, or to alter the look for more casual wear at a moment's notice. PANDORA also offers a whole collection of earrings, rings, and necklaces to provide a coordinated look with the most popular bead designs. Please visit our store to see our latest collection.
